

ARMED MEN TAKE FRANK FROM PRISON FARM

BELIEVE MOB HAS LYNCHED CONVICT

Prisoner Hears Man Say
Body Will Be Placed on
Mary Phagan's Grave

WARDEN IS HANDCUFFED

Sheriffs' Posses Are Ordered
Out In an Effort to Find
Frank and His Captors

ATTACK NEAR MIDNIGHT

MILLEDGEVILLE, Ga., Aug. 16.—A mob variously estimated at between 25 and 75 in number overpowered Warden, superintendent and guards at the Georgia state prison farm near here at 11 o'clock tonight and quickly got Leo M. Frank and rushed him away in an automobile.

First reports that it might be friends of Frank were dispelled when a prisoner said he had heard a member of the mob say that Frank's body would be placed tomorrow on the grave of Mary Phagan at Marietta. Frank was serving a life term for the murder of the girl.

Mob Works Quickly.
The mob worked with quick precision. Eight automobiles took the men to within a short distance of the prison. First all wires from the prison and all except one from Milledgeville were cut. Five men went to the house of J. M. Burke, superintendent of the prison, and stood guard over him. Other men went to the house of J. M. Burke, superintendent of the prison, and stood guard over him. Other men went to the house of J. M. Burke, superintendent of the prison, and stood guard over him.

Only Two Guards on Duty.
As on the night Frank was attacked only two guards were on duty. The mob quickly overpowered Chief Night Guard Hestor and the other man on duty, proceeded to the dormitory and within a few minutes seized Frank and rushed him back to the automobiles.

Those who had been holding Smith and Burke left as soon as Frank was brought out and joined their fellows. The automobiles then started in the direction of Eatonton. Only one member of the party that went to the dormitory did any talking. He gave the commands to the guards which were backed up by the arms of the other members of the mob.

MILLEDGEVILLE, Ga., Aug. 16.—Leo M. Frank, Georgia's noted life term convict, was removed from the Georgia prison farm here tonight by twenty-five armed men, who overpowered Warden Smith.

Previous to the attack wires leading to the prison itself had been cut. Frank was placed in an automobile and rushed in the direction of Eatonton.

It has not been ascertained whether Frank was lynched or whether the party that removed him from the prison were his friends.

The attack came shortly before midnight. The warden and most of the guards were sleeping on a rear porch of the main building in which the prisoners are confined. Both he and the guards were handcuffed after which the party entered the prison and removed Frank.

Order Sheriffs Posses Out.
Augusta, Ga., Aug. 16.—Sheriffs posses have been ordered out in all counties surrounding Baldwin county, in which Milledgeville is located, in an effort to find Frank and the party that took him.

Are Not Seen at Eatonton.
Eatonton, Ga., Aug. 16.—The party which took Leo M. Frank from the state prison farm tonight had not passed through here at 1:30 o'clock.

Leo M. Frank was found guilty of the murder of Mary Phagan on Aug. 25, 1913, and sentenced to be hanged. He was the superintendent of the National Pencil company in Atlanta, in the basement of which the girl's body was found by a night watchman on the night of April 27. Repeated attempts were made in the state courts to obtain a new trial for Frank but without success. Efforts to obtain a writ of habeas corpus in the federal district court at Atlanta and finally in the supreme court of the United States also were futile.

BAVARIAN ARMY FIGHTS WAY ACROSS THE BUG

MOVE FORMS A SLIGHT WEDGE IN
THE RUSSIAN FRONT

Von Mackensen is Pushing Russ Back—Von Hindenburg Successfully Attacks Advanced Defenses of Kovno—Submarine Shells English Coast Towns.

London, Aug. 16.—The left wing of the Bavarian army, under Prince Leopold, has fought its way across the Bug river near Drohicyn, which lies to the east of Sokolow and is some fifty miles northwest of Brest-Litovsk, according to the official Berlin report. This move forms a slight wedge in the Russian front, which virtually had been straight since the Warsaw salient was abandoned.

Von Mackensen Pushes Russ Back.
Field Marshal von Mackensen also is reported to be pushing back the Russians along the Bug, where the Germans are advancing along the eastern bank of that river. Farther west Field Marshal von Hindenburg is credited with a successful attack on the advanced defenses of Kovno, as well as a successful attempt to break the Russian lines between the Narw and the Bug after the Norwicz river had been crossed by the Germans.

These formed the most critical military movements of the day but they attract less attention here than the diplomatic negotiations in the Balkans where the crisis has not yet been reached. The most significant phase of today's news concerning the near eastern situation was contained in a brief despatch from Athens, stating that former Premier Venizelos had won a decisive victory over the government in the organization of the Greek chamber of deputies.

The withdrawal of the Bulgarian delegates from Constantinople caused much speculation here, the consensus of opinion being that Turkey is so confident of her present position that she does not feel under any compulsion to make concessions to Bulgaria's desires.

The usual grenade and mine fighting is reported on the western line and there has been some activity along minor fronts in the Caucasus, where the Russians claim they have successfully repulsed Turkish attacks.

At Livingstone, on the Rhodesian border in South Africa, a British force which had been besieged by a German detachment, is reported to have driven off the besiegers.

Submarine Shells Coast Towns.
A German submarine has shelled three towns on the Cumberland coast of England. Several fires were started by shells and the railroad was damaged but there were no casualties, it is said.

Except in their financial columns the newspapers pay little attention to the decline in sterling exchange. The government has given no hint of any plan it may be considering to relieve the situation, which the leading financial authorities here regard as serious.

L. A. BARNHART BUYS REEVE GROCERY STORE.

By terms of a contract closed Monday L. A. Barnhart became the owner of the South Jacksonville Grocery store of T. B. Reeve. Mr. Barnhart applying a residence property on South Main street as a part of the purchase price. Mr. Barnhart for several years has conducted a grocery business at the corner of South Main street and College avenue. He has met with excellent success and will continue in greater measure as he will conduct both businesses from now on.

COMMISSION TO PROBE OCEAN TRANSPORTATION FACILITIES

WASHINGTON, Aug. 16.—An investigation of ocean transportation facilities and rates between the United States and foreign countries is to be made by the Interstate Commerce Commission at the request of President Wilson, the treasury department announced today.

The treasury and commerce departments will cooperate in the inquiry, which is expected to develop definite material for continuing the constructive contest for enactment of the administration ship purchase bill filibustered to death in the senate last winter.

Albany, N. Y., Aug. 16.—The proposal of William Barnes, designed to prohibit the legislature from passing any laws granting special privileges such as the minimum wage or old age pensions, was defeated tonight by the constitutional convention by a vote of 78 to 36.

The next day the governor announced that he had granted a petition made in Frank's behalf asking that his death sentence be commuted to life imprisonment.
A few weeks ago an attempt was made by J. William Green, another life term convict, to kill Frank by cutting his throat. Frank's condition was serious for some days but it was announced recently that he had recovered.

AMERICAN DOLLAR RULES FINANCE

Virtually All Foreign Exchange Goes Down to New Depths

REPLACE ENGLISH POUND

Manufacturers of Supplies Sent
Abroad Demand Payment in
American Dollars

PREDICTS INFLUX OF GOLD

NEW YORK, Aug. 16.—The American dollar ruled the financial world today. Pounds sterling, francs, liras, virtually all foreign exchange went down to new depths in a torrent of bills that poured into the exchange markets from American manufacturers seeking pay for the big war contracts of munitions and other supplies purchased here by the warring nations of Europe.

Demand American Dollars.

Coincident with the sterling decline in exchange rates, came the assertion from an unimpeachable source that every contract made by the American manufacturers of supplies sent abroad called for payment in American dollars and not English pounds sterling, which heretofore have been the standard of finance the world over.

The immense losses, therefore, due to the decline in foreign exchange rates will be borne, to the last penny, by the foreign buyers and will not be sustained by the American manufacturers, who heretofore have been the standard of finance the world over.

Rates Raise in Last Hour.
The maximum depreciation today in pounds sterling was 4 1/2 per cent. below normal; in francs 19 per cent. below normal; in Italian liras, 25 per cent. In the money markets today the pound sold for only \$4.64; 6.02 francs equalled a dollar; and a dollar purchased 6.48 liras. These were the quotations while rates were at the lowest ebb during the early afternoon. In the last hour of the business day, the presence in Wall street of J. P. Morgan for the first time since the attack on his life six weeks ago and an informal conference of bankers to consider the exchange situation, sent rates upward.

Sterling closed at 4.76 1/2, one-half point higher than it opened and a point and a half under Saturday's close which established a new low record at the time. Francs gained three points over the low record, selling at 5.99 at the close and liras rebounded a point, closing at 6.47.

May Sell American Securities.

It was generally believed that the present abnormal situation would not be permitted to continue long. The obvious remedy seemed to be to sell American securities held abroad and when this contingency was studied the situation seemed to be pregnant with unique possibilities. Twenty millions of American securities, payable of course, in dollars when due, are held abroad, chiefly high class railroad bonds and preferred stock of a selected list of American industrialists. Should these securities be held at the present exchange rates in foreign markets, they would fetch far more than the purchasers paid for them, due entirely to the depression of exchange.

With these prospective profits as an inducement, it was believed that holders abroad would be willing to sell and that foreign buyers of American goods would have little difficulty in procuring a large amount of American securities abroad as collateral for a temporary loan in this country, which would tend to correct exchange rates.

Big Foreign Credit Necessary.

The establishment here of a big foreign credit, estimated conservatively at \$500,000,000, was thought to be necessary if exchange rates were to be restored to anything like normal figures.

The assertion that dollars and not pounds sterling had been the financial standard on which all contracts for which war supplies had been accepted in this country came as a distinct surprise. Aside from marking the temporary passing of London's control of the world's treasure chests, it relieved anxiety on behalf of investors in so-called war specialties in the stock market who were confronted with the prospect of a large shrinkage in prospective profits due to prevailing low rates of exchange.

Measured in dollars and cents it was learned that the amount of these war contracts, on which or nearly full payments would be due on or before Oct. 1, next, approximates \$400,000,000 to \$500,000,000. This is in addition to the huge total of more than \$1,000,000,000 owed by Europe to the United States at the close of the fiscal year June 30.

REDFIELD ANNOUNCES PLANS FOR INQUIRY

WILL INVESTIGATE ADMINISTRATION
OF STEAMBOAT INSPECTION SERVICE

Report to President Wilson on the Eastland Disaster Is Made Public—Transmits the Recommendation Made by Board.

Washington, Aug. 16.—Plans for an inquiry into the administration of the steamboat inspection service are announced by Secretary Redfield of the department of commerce in a report to President Wilson on the Eastland steamship disaster, made public here today.

In his letter Mr. Redfield reviews the investigation made under his personal direction at Chicago immediately after the disaster and transmits the recommendation made by the board of inquiry which he organized.

To Transmit Copy to Congress.

He says a part of the recommendations of this board already have been put into effect through regulations in the steamboat inspection service and that the full recommendations, recently made public, will be transmitted to congress for legislative consideration. In conclusion the secretary outlines the steps to be taken as follows:

"A copy of the testimony taken at the inquiry, together with the statement of the board, will be transmitted to each house of congress at the opening of the coming session and the substance of this report to you and of the statement of the board of inquiry will be made a portion of my forthcoming annual report."

"Instructions were given on the sixth instant to the steamboat inspection service to take the necessary steps to carry into effect the additional rules and regulations suggested by the board of inquiry. Instructions also have been given to the steamboat inspection service to call together a special committee consisting of supervising inspectors selected from the Atlantic, Pacific and Gulf coasts, who shall, with the supervising inspectors upon the Lakes, consider what can be done within the present lawful scope of the service, to improve its effectiveness."

Assures Searching Inquiry.

"I have given assurance that as soon as practicable in the fall a searching inquiry will be made into the whole administration of the steamboat inspection service under the supervision of representatives of the navy department and of the public, so that there shall be no question of its impartial character. Steps to this end already have been taken and I shall in due time confer with you as to the membership of a board to be selected for that purpose."

TO BUY MORE WAR HORSES.

East St. Louis, Aug. 16.—Representatives of the Italian government Wednesday will begin the purchase of 12,000 more horses for war purposes. These are to be selected within ninety days. Thus far more than 160,000 horses have been sold to the belligerent nations through dealers here. A dealer today said the allies had spent \$27,000,000 for horses in East St. Louis.

WELL KNOWN HORSEMAN DIES.

Rockford, Ill., Aug. 16.—Benjamin C. Kimlin, a well known horseman, died today at his home at Janesville, Wis. He was 58 years old and trained famous horses for more than forty years.

Prospective Profits Exaggerated.

It was learned also from an authoritative source, that the prospective profits on some of these contracts have been greatly exaggerated; as only normal profits would accrue in a big majority of cases and that in some instances there might be no profit at all.

This, it was said, was due to the rigid surveillance exercised by inspectors of Great Britain and her allies over all deliveries. Goods contracted for, it was said, were held to a strict standard and where they did not come up to this standard were rejected, entailing proportionate loss upon the manufacturers.

Another optimistic feature of the foreign exchange situation was the general belief that a second large shipment of gold was on its way to New York. Approximately \$20,000,000 in gold coin reached here last week from London. Wall street heard today that the second shipment of gold was coming from South Africa or Australia. Other gold shipments, too, it was believed would follow, all of which were expected to have a corrective effect upon the exchange markets.

Predicts Influx of Gold.

Chicago, Aug. 16.—An influx of gold into the United States as a result of the balance of trade swing in favor of this country, was predicted today by John Burke, treasurer of the United States, who is here as a guest of the Chicago Societies of the Irish National Brotherhood. Mr. Burke declared that \$100,000,000 in gold was ready to be sent to this country from Europe, for war munitions and provisions.

SEVERE STORM STRIKES GALVESTON

Several Ships Are
Wrecked in Galveston Harbor

5,000 PERSONS LEAVE

Practically All the Homes Especially Those on the Beach Have Been Evacuated

WATER HAS RISEN TEN FEET

DALLAS, Tex., Aug. 17.—A terrific tropical storm, which raged along the Texas gulf coast yesterday afternoon and tonight, wrecked several ships in Galveston harbor, drove thousands of people from their homes in that and other places, isolated the city of Galveston by prostrating all telegraph and telephone wires and threatened to result disastrously in several places along the shore.

At times the wind attained a velocity of ninety miles an hour and for hours at a time blew sixty-five and seventy miles an hour. The barometer stood at 29 for several hours and was howling in heavy rain fell. In view of the wire conditions details were lacking.

At 2 o'clock this morning large parties of line men had been sent out from half a dozen Texas cities in an effort to reestablish wire communication with Galveston but had not yet been successful.

The weather observer at Houston announced that, in his belief the hurricane had swept away from the gulf and was howling inland between Houston and Galveston.

DALLAS, Aug. 16.—Chief interest tonight in the terrific tropical storm raging along the Texas gulf coast centered in Galveston, which has been completely isolated, so far as wire communication is concerned, since 9 o'clock. There has been no loss of life reported from any Texas point which could be directly attributed to the storm. The last report from Galveston gave the wind's velocity as 29 to 30 miles an hour, the barometer 29.0 and still falling, and about three feet of water in the streets near the bay front.

The wind carrier in the evening had attained a velocity of 70 miles an hour or more.

The last message from Galveston indicated the storm was abating somewhat. At Houston the local weather observer expressed his belief that the hurricane had left the gulf and was working inland between Houston and Galveston. Several thousand persons, fearing destruction by the storm fled from the city and many thousands more left their homes near the water front and rushed to the comparative safety afforded by the large public buildings farther back from the danger zone.

At Port O'Connor the Port Aransas, several hundred inhabitants fled hurriedly for interior places of safety. Wireless messages picked up at Brownsville tonight from the transport Buford, in Galveston harbor, reported the water had risen ten feet in the bay and several ships had been wrecked.

No Loss of Life Reported.

Galveston, Tex., Aug. 16.—The tropical storm which struck Galveston today, while very severe, had caused no serious damage and no loss of life at 6 o'clock this evening. The Galveston sea wall, built as a precaution against such hurricanes, showed no signs of weakening. The storm struck the city late in the forenoon at a velocity of 34 miles an hour. At noon it had increased to sixty miles an hour and during the late afternoon fluctuated to 60 and 70 miles an hour, blowing in a northeasterly direction.

At 8 o'clock tonight the highest velocity was 65 to 75 miles an hour with occasional jets blowing as high as 90 miles. A heavy rain fell throughout the day.

No Estimate as to the Extent of the Storm in Galveston or the Surrounding Country Could be Made to Night by the Weather Bureau.

It is estimated that 5,000 persons left Galveston during the last 36 hours. Tonight practically all of the homes, especially those on the beach, have been evacuated and the people are gathered in downtown hotels and public buildings. The city is in darkness tonight.

Warning of the tropical storm was given to shipping in ample time and no vessels left port today. Several ships are due here and have reported as standing by several miles off shore.

Several Ships Turn Over.

Brownsville, Tex., Aug. 16.—The army wireless station here received a report from the transport Buford at Galveston, tonight, that the water

INTEND TO DECLARE COTTON CONTRABAND

STATE DEPARTMENT ADVICES SAY
ALLIES HAVE REACHED DECISION

Delay in Making Announcement Is Said to Be Due to Necessity of Arranging Uniform Treatment of the Subject by All the Allies.

Washington, Aug. 17.—The allies' intention to declare cotton contraband has been communicated unofficially, but authoritatively to the state department. The department's advice is that the decision has been reached and the delay in making an announcement is due to the necessity of arranging uniform treatment of the subject by all allies.

Japan's Attitude Not Defined.

The step has been agreed upon by Great Britain, France, Russia, Italy and Belgium but Japan's attitude has not been defined and she may decide that no action is called for from her at this time, because of the elimination of the only German colony in the Far East from the military problem and the absence of any reason for a blockade.

Ever since the application of the British orders in council to cotton, among other American products, the entente allies have felt that some move effective and less burdensome method must be found for dealing with cotton and preventing its entry into Germany and Austria.

The British government originally regarded cotton as noncontraband and expressed a desire to avoid inflicting hardship upon the southern planters and to avoid development of an anti-British feeling in this country. The change to contraband will be defended as authorized by international law.

May Call Attention to Letter.

That cotton has taken the place of salt peter, always recognized as absolutely contraband, in the manufacture of gunpowder will be held to be an established fact and by way of convincing the state department to that effect attention probably will be directed to a letter by Secretary Hay to W. W. Rockhill, American minister to China, during the Russo-Japanese war, stating that the American ordinance officers whom he had called into consultation regarding the Japanese blockade orders had advised him that cotton was used in the manufacture of smokeless powder and so properly must be regarded as contraband of war.

May Allow Shipment to Neutrals.

It is expected that some sort of arrangement will be proposed by which the allies will engage to allow cotton to travel unmolested to neutral countries in quantities in proportion to their normal consumption.

What the effect will be on the American cotton growers is the subject of contention. The cotton interests have for some time been alarmed at the prospect and it is known that the state department has been preparing to resist the new move with every means at the command of diplomacy.

PROSPERITY KEYNOTE OF SPEECHES.

Duluth, Minn., Aug. 16.—Prosperity was the keynote of all addresses at the opening session today of the annual convention of the National Association of Mercantile Agencies. Speakers asserted that the business outlook is brighter than it has been for three years and that a wave of prosperity soon will sweep the country.

HOSE WAGON OVERTURNED.

When a practice run of the fire department was being made Monday evening the hose wagon was overturned at the corner of North and West streets. Harold Elliott was driving and received some severe bruises when he struck the pavement somewhat bruised. The fenders of the wagon were bent but fortunately no serious injury resulted for the men or great damage for the equipment.

had risen ten feet and that several vessels had turned over in the harbor there.

After trying without success to raise Galveston or Texas City direct the following was received from Fort Sam Houston at San Antonio: "Fort Sam Houston reports it has been calling Galveston since eight o'clock, Texas City reported at two o'clock p. m. that he expected his mast to blow down at any time. He also reported he had word that water was going over the causeway at 6 p. m."

Army wireless operators here said that the wireless station at Galveston (Fort Crocker) is in an exposed position where it might easily be put out of commission by water even though the storm was not severe enough to unguish the city of Galveston.

Havana, Aug. 16.—Wireless reports from the Isle of Pines state that a cyclone there has caused damage estimated at several hundred thousand dollars to the grape fruit, orange and other crops of American settlers.

MEXICANS CROSS LINE; KILL TROOPER

Partly Surround Twenty-One Men of Twelfth U. S. Cavalry

WOUND TWO SOLDIERS

For a Time It Was Reported that the Mexicans Were Advancing on Mercedes

DANGER OF ATTACK PASSES

BROWNSVILLE, Tex., Aug. 16.—About 100 Mexicans, under cover of darkness tonight, forded the Rio Grande near Mercedes, about thirty miles up the river from here and partly surrounded twenty-one men of the twelfth United States cavalry. They killed one trooper and wounded two. For a time it was reported that the Mexicans were advancing on Mercedes but at midnight all had disappeared. Soldiers and posses are searching the brush for them.

Kill Corporal Wilman.

Ranger Lieutenant Reynau at Mercedes, telephoned State Adjutant General Hutchins here that Corporal Wilman of Troop C, twelfth cavalry, was killed in this fight and Lieutenant Roy O. Henry of the same troop was wounded.

Reynau in an early report said he understood 270 Mexicans had crossed and that they were coming to attack Mercedes.

The report from Ranger Reynau said that the Mexicans had crossed the river in three platoons. Mercedes, according to details of troops in the region, should have available for protection tonight seventy United States cavalrymen and half a dozen rangers besides vigilantes who have been organized in force there. Reynau said it was reported that in addition to the Mexicans who had crossed the river, a large number of others were lined up on the Mexican side.

Rush Reinforcements to Mercedes.

Reinforcements of rangers and soldiers from Harlingen were ordered rushed to Mercedes by automobile. Harlingen is about 15 miles from Mercedes. Mexicans who crossed the river would have seven or eight miles to cover before they reached Mercedes. Reinforcements to Mercedes should reach there ahead of the Mexicans, according to officers at Brownsville. Mercedes had no definite details early tonight of the fight at the crossing but said it was reported there the Mexicans practically had surrounded the small outpost of American soldiers.

Believe Danger of Attack.

Other soldiers in the detachment sent a messenger to Mercedes for help. At 11 o'clock tonight it was believed the danger of attack on Mercedes had passed.

The ford where tonight's attack occurred is at Progreso, the point where Mexicans exchanged shots with American soldiers last night. A local Mexican paper this afternoon printed the assertion that General Nafarrate, at Matamoros, had wired Monterey for 2,000 troops on account of the increase of the garrison at Fort Brown here. There was no confirmation of this.

FORMER CHAMPION TROTTER DIES.

Lexington, Ky., Aug. 16.—Nancy Hanks, 2:04 champion trotter from 1892 to 1894, died today at Hamburg Place, the estate of J. E. Madden, who purchased the mare several years ago. The animal will be buried in the cemetery at Hamburg Place where other famous horses have been buried. Nancy Hanks was foaled in 1886.

MATRIMONIAL.

Shaw-Smith.

H. B. Shaw and Miss Anna M. Smith, both of Beardsville, were married by Rev. W. W. Theobald at the Brooklyn church parsonage Monday afternoon. The groom is a son of Rev. and Mrs. W. B. Shaw, who live in Iowa, and his bride is a daughter of Charles Smith of Beardsville. They left in the afternoon for Beardsville, where Mr. Shaw is employed as a machinist. They expect to take a wedding trip to Niagara Falls.

Evans-Cummings.

John C. Evans and Miss Fern A. Cummings were united in marriage Monday evening at 8 o'clock by Dr. F. A. McCarty at his residence on West College avenue. They were attended by Miss Ruth Cummings and Fred Dyer. The groom is the youngest son of Mrs. M. A. Evans of 209 South Kosciusko street and is employed as a mechanic at the Priest garage. The bride is a daughter of Mrs. Alice R. Cummings of Panama, Ill., and is a young woman of many charming traits of character. She has made her home in this city for the past nine years with her sister, Mrs. C. S. Copp of 202 S. Fayette street. The young people have a host of friends who wish them a happy married life.

That the contest between the advocates and opponents of recall of judges has been a contest between prejudice and enlightenment, is the claim of the committee on the recall, in its report to be presented at the opening session of the American Bar association. The report states that the advocates of the recall had made no progress during the past year, and that the issue has been beaten "to a frazzle."

The Los Angeles man who is suing to break his wife's will is certainly entitled to the moral support of his fellowmen the country over. The wife who left a large estate provided among other things that the sum of \$1,000 should be set aside for the care and maintenance of her favorite cat and not a cent did she give to the mourning husband. But there is the possibility of course that the deceased had reasons for esteeming the cat more highly.

The National Negro Business league of which Booker T. Washington is president will meet in Boston this week. Some interesting reports will be presented which will indicate to the country at large how great is the progress which has been made by the negro race in the past fifteen years. In 1900 there were two negro banks in this country and today the number is 32. Fifteen years ago 20,000 representatives of the race were engaged in business and now there are 45,000. Possibly the greatest mark of advancement is in the figures showing the holdings of farm property. In 1900 the total owned by colored men was \$177,404,688 while this year the figures have grown to \$492,892,218. Certainly the race has much to be proud of and the record made should lead to still further advances.

Clears Debt to Please Bryan.

In an effort to secure William J. Bryan as its president, the Winona Assembly and Summer Schools association will today sell its property at auction, bid it in themselves and reorganize the finances of the assembly. The former secretary of state is expected at Winona Lake next week, and it is hoped by those interested in the Presbyterian assembly that he will consent to head the work.

About \$1,350,000 is invested at Winona Lake. The assembly is now in bankruptcy, and its debt totals about \$900,000. According to a recent valuation of the property it is worth about \$775,000. The assembly will be reorganized if the plan goes through, and new capital would be available for Mr. Bryan's regime. Some of Mr. Bryan's greatest admirers declare that as the head of the institute he could do his greatest work. They feel that he is really a great preacher and that while directing his efforts along other lines that he has not in any manner equalled the good that he could do as regular occupant of the pulpit.

As Mr. Taft Sees Mexico.

While Ex-President Taft is an open and ardent supporter of President Wilson in all of his policies with reference to European countries he does not hesitate to declare that Wilson made a great mistake in Mexican affairs when he refused recognition to Huerta. This is the generally accepted opinion of the president's action in that matter as viewed in the light of subsequent happenings. Nevertheless the people like Mr. Taft are going to support the president in whatever course he determines upon in Mexican affairs.

Recently Mr. Taft pointed out some of the difficulties of the Mexican situation. He said: "That is a bad, bad business," he commented. "We made a serious mistake at the outset, not in failing to recognize Huerta, but in actually departing from the attitude of true neutrality to work against him. "I do not know what will come of the situation, or how we can get out of it. I welcome the participation of the South American countries in attempting a solution, but if there is a necessity for active intervention, I think it probable that we shall have to do the whole job. But it is important and valuable to have the acquiescence of the South American nations in whatever steps we take."

"Should it become necessary for us to raise a large army, and send it to Mexico, eventually, perhaps after years of fighting, establishing order there. It is almost certain that the American people would demand some compensation, territorial or otherwise, for the blood and treasure spent. But then we would just as surely be accused of seeking that from the start."

"Again, if we establish a government there, we shall have to support it, and we will be very largely responsible for whatever it does."

Lathrop H. Ward, of Battle Creek, Mich., is here for a few days' visit at the home of his father, Charles H. Ward, on West College avenue.

POLICE AND JUSTICE COURT NEWS.

Fined for Carrying Weapons.
James Casen, colored, was arraigned in Justice Dyer's court Monday and fined \$100 and costs on the charge of carrying concealed weapons. Casen was recently arrested on the charge of bootlegging. He was unable to pay the fine and was sent to jail.

Pleaded Guilty.
Janie Johnson, the colored girl who was arrested some time ago on the charge of taking a pocketbook, was before Judge W. E. Thomson in the county court Monday. The girl had been out on bond signed by Samuel Coultas who surrendered her to the authorities. She entered a plea of guilty and was fined \$25 and costs and sentenced to jail for a period of thirty days.

Frank Harris alias "Mascot", colored, was arraigned before Judge Thomson Monday on the charge of bootlegging. The court sentenced him to thirty days in jail and to pay a fine of \$100 and costs.

Gougherty May Leave.
Bart Gougherty who has figured more or less in the police courts for several years, was before Justice Dyer on the charge of vagrancy Monday. The court gave him ninety days in jail and held the sentence in abeyance providing Gougherty would leave town in twenty-four hours. This Gougherty promised to do.

Released on Bond.
L. V. McCue, who was arrested a few days ago on a warrant sworn out by John Kratz, charging him with grand larceny, was before Justice Dyer Monday. He was released on bond.

In the same court the case against Lloyd, alias "Red" Hair, was called on the charge of burglary and the case was dismissed.

FUNERALS

Henry.

Funeral services for the late Charles E. Henry were held from the family residence near Woodson Sunday afternoon. The services were largely attended. The members of at Starr Post 378 G. A. R. of this city attended in a body and nearly the entire membership was present. Owing to the large number present the services were held out of doors, the minister and singers being on porch of the home.

Dr. G. W. Miller was in charge of the services. He spoke of Mr. Henry as a good citizen, one who during his long life in the community had made many friends.

Music was furnished by a quartette composed of George Cunningham, Edward Gallagher, William Colton and R. R. Jones. There were many beautiful floral offerings and these were in charge of Misses Maud Rimbey, Martha Masters, Emma and Inez Henry.

Interment was made in Henry cemetery and the active bearers were: Dr. R. R. Buckthorpe, Charles B. Graff, Dr. R. R. Jones, Tyne Whitlock, Walter Lonergan, Charles Ransdell, Henry Strang and George Cunningham.

The honorary bearers were John E. Wright, William McCormick, J. T. Osborne, J. P. Lippincott, John Ogle, Henry Stevenson.

All the honorary bearers were members of Mr. Henry's company. The services at the grave were in charge of Matt Starr post and the beautiful rites of the organization were carried out.

Through the kindness of a number of automobile owners practically all of the members of Matt Starr post were able to attend. Those furnishing cars and the occupants were as follows:

R. Stevenson—C. R. Taylor, Bee Wood, Joan R. Kirkman, Maj. C. E. McDougall.

Charles Graff—W. A. Kirby, Comrade A. T. Bartlett, Henry Stevenson, J. W. Melton.

Mayor H. J. Rodgers—Van Wyatt, Capt. Alex Smith, Lyeurgus Goheen, Frank Mosely.

Walter McCormick—William McCormick, Hassel Hopper, John Hickman, Alex Armstrong.

Edgar Martin—John Minter, Frank Wiggenjost, George Faul, J. Brown.

Thomas Harrison—J. T. Osborne, James F. Self, Julian Lippincott, Robert Mawson.

O. F. Conklin—S. O. Barr, John Ogle, Thomas Reece.

George Royse—William Young, Samuel Maddox, O. C. Cully, G. W. Moore, Capt. J. M. Swales.

Grant Graff—J. W. Fallansbee, Daniel Summers, Champ Ferguson, David A. Kennedy—Joseph Smith, A. P. Vasconcellos.

A. M. Masters—Arch Norris, M. Hellenthal.

R. R. Buckthorpe also took some of the veterans in his car.

APPOINTED SUPERVISOR.

Miss Jessie Allen, of North Diamond street, recently returned from a visit in Springfield, Champaign and Chicago. While at Champaign she was delegate to the House of Ruth convention. Miss Allen was appointed supervisor for Jacksonville, a vacation of two weeks.

Mr. and Mrs. Robert Kennedy, son and daughter and Mr. and Mrs. Cummings, from Virden, Ill., came to Jacksonville Sunday in their automobile to visit Mrs. Theodore Zimmer.

Walter H. Deshara, Associated Press operator of the Journal, returned Monday evening from a vacation trip of two weeks. He visited Pittsburgh and Chicago and reports a pleasant outing.

BIRTH RECORD.

Born—To Mr. and Mrs. Harry Hofmann at Passavant hospital, a son.

SIDE WALK TALK OCCUPIES

COUNCIL ATTENTION

Will Visit Parts of City Where New Walks Are Needed—Test Drilling to Be Done at North Side Station—South Main Street Paving Ordinance Read.

Business largely routine in character came before the city council Monday morning. Residents of West court street presented written objections to the operation of a training stable on that street. Report from the street department indicated that a great many complaints were being received on account of weeds and a great many complaints were being done to clean them up. Members of the council agreed to make a visit today to various parts of the city where sidewalks are needed, and subsequent action requiring them to be laid is contemplated. The election ordinance fixing Sept. 21 as the date was given a first reading and will be passed at the next meeting of the council. It was decided that on streets where pavements are to be laid that property owners will have the right to open the old pavement for water or sewerage connections without charge.

After the call to order and reading of the minutes Mr. Pyatt read a petition signed by a large number of West Court street residents complaining because a training stable is operated on that street by J. McDaniel. The petitioners stated that the stable was a rendezvous for boys and loafers and that it had become a nuisance. Mr. Cox mentioned that he had received a great many complaints because weeds were growing along the streets and in vacant lots and that in a good many cases the people were not reasonable because the desired work was not immediately done. Mayor Rodgers said that he thought that everything was being done that was possible with the limited funds available for the work and that persons who are annoyed by the weeds should bear in mind the present financial condition.

Mr. Cox also referred to walks in many localities which need attention and thought that the other members of the council should join in with him in the effort to get these walks laid. The other members indicated their willingness to join in a movement for having the needed walks laid and it was the understanding that the council will today or tomorrow visit a number of places which Mr. Cox has in mind.

An ordinance on the books makes it possible for the city to force property owners to lay sidewalks where needed, but Mayor Rodgers and the commissioners were of the opinion that in practically every instance if the matter was talked over with the property owners that an agreement to do the work at once could be reached. The ordinance provides that if the property owner does not lay a walk within forty days after receiving notice, that the city may proceed with the work and tax the cost against the property.

Mr. Vasconcellos reported that he was having trouble with the pump in well No. 1 at the north side station. He also reported that one of the boilers at the light plant is out of commission temporarily because the brick arch had caved in. This is being replaced and the boiler will be in use again within a few days. The election ordinance calling the election for Tuesday, Sept. 21, was given a first reading. This is the same ordinance as presented last week except that the date was changed to meet legal requirements and instead of having a polling place at the court house it will be at the David Prince school. Mr. Vasconcellos made a motion that along streets which are to be paved or retopped, that property owners be allowed to make connections with water or sewer pipes without paying the cost usually charged for opening a pavement. This of course does not apply to the cost of tapping the mains. Mr. Widmayer seconded this motion, which was carried. The petition of the W. Court street property owners was referred to Commissioner Martin.

Mayor Rodgers made a report of an informal session of the council held a day or two since when the proposition was considered for sinking a number of four-inch test wells at the north side pumping station. He said that this could be done at a comparatively small cost and that the record thus obtained would be of great value in determining the location of any other wells to be sunk at this station. Plans under consideration for the further development of the water supply there have in view additions to the present equipment of such an extent that all of the city's supply could be obtained without pumping from the south side station. This completed the business of the morning session and in the afternoon another session was held for the purpose of giving a first reading to the ordinance providing for the paving of South Main street from Morton avenue to the square.

See those new 50c pants for the boys at Tomlinson's.

WILL TEACH MUSIC IN

PHILIPPINE SCHOOL.
Miss Frances Melton, formerly of Jacksonville, is sailing for the Philippine Islands where she will teach music in the cathedral school of Benaga. Miss Melton was in Paris when the war broke out and succeeded in leaving only when the Germans were within twenty miles of the city.

TO VISIT IN WEST.

Mrs. Shastid and her daughter, Mary, were in the city Sunday on their way to Tallula where they are visiting friends. They expect to leave soon for a tour of the Pacific coast states.

GUESTS AT HOUSE PARTY.

Miss Maud Brown, Nell Clamplit, Margaret and Helen Strandberg have returned from a home party at the home of Mrs. Helen Angier, at Little Indian.

Did You Get

THAT "FEEL" OF CLEAN TEETH

This Morning?

It adds to the zest of the day. Start the day right by using **Roberts' Dentox Tooth Paste**, a scientific product, made in high pharmaceutical laboratories. A 25c tube DENTOX, a brush, a mirror, a little water—and in a very few minutes a feeling of freshness, of cleanliness, of efficiency, is imparted.

Make Dentox Tooth Paste a part of your daily toilet. Every tube is hermetically sealed. Always fresh and of just the right consistency. You will be more than delighted. Our telephone number is 800.

DR. CARSON

Chicago Specialist

In the treatment of Chronic Disease, will be at the Dunlap Hotel, Jacksonville, Illinois, Wednesday, August 18, 1915, one day only. (Returns every 28 days). Hours, 8 a. m. to 4 p. m.

Fourteenth Successful Year in Jacksonville. Consultation and Examination Free

I treat successfully the cases I undertake and accept no fee from those who are incurable. That is why I continue my visits year after year, while other specialists make only a few visits and cease to return.

IS THIS THE WAY YOU FEEL?

Tired in the morning and easily excited? Are you dizzy or nervous? Pain in the head? Tongue coated? Have you Catarrh—nose stopped up? Gas on the stomach? Hands and feet cold? Pain of hands and feet? Have you a dull, dragging pain or ache of the body, back or limbs? Have you Rheumatism? Have you Flatulency? Piles—itching or bleeding? Have you kidney or bladder trouble, lame or weak back, pains in back or joints? Have you any blood disease—scrofula, skin eruptions, pimples, bone pains, pale complexion and losing weight?

I invite you to call and investigate the Carson System of the treatment of Chronic Diseases, which I have perfected after fifteen years of experience and study, and you will be convinced that my modern, up to date methods of curing disease are what you need.

Remember Date of Visit. Come early as parlors are always crowded. A friendly call may save you future suffering; it has made life anew to thousands who had been pronounced beyond hope.

C. W. CARSON, M. D.,
766 Oakwood Blvd., Chicago, Ill.

Experience makes perfect. Having treated hundreds of old chronic stomach troubles for the last fifteen years, I can relieve a great majority of these cases and restore them to health and strength again, especially in those cases who suffer from the effects of pain in the stomach and bowels, bloating, gas, spitting up of food, sour stomach, headache, dizziness, loss of appetite, drowsiness, and heavy, bad feeling in the head.

PILES—Every case guaranteed cured without detention from business or use of knife.

Private Diseases a Specialty!

NERVOUS DEBILITY—Are you nervous, despondent, weak, tired mornings, no ambition, poor memory, easily fatigued, excitable and irritable, eyes sunken, red and blurred, pimples on the face, dreams restless, haggard looking, weak back, deposit in urine, drains at stool, distrustful, want of confidence, lack of energy and strength

MRS. FRANCES CHERRY LONG TIME RESIDENT DEAD

Was Born in Madeira and Came to Jacksonville in Early Day—John Vieira's Life Came to Close Monday Night—Other Deaths.

Mrs. Frances Cherry, wife of the late John Cherry, died at her home, 328 East College street Sunday morning at 4:45 o'clock. Mrs. Cherry had been in poor health for several years and her death was due to a complication of diseases incident to old age. During the last six months she has been an invalid.

At the time of her death she was 78 years, nine months and fourteen days old, having been born in the Island of Madeira, Nov. 1, 1836. She was the daughter of John and Mary Vieira.

She was united in marriage April 26, 1856 to John Cherry, the marriage taking place in Funchal, Madeira Island. The following year they came to America, coming directly to Jacksonville where she has since resided. Mr. Cherry died in December, 1909.

Mrs. Cherry is survived by the following children: John Cherry, Jacksonville; Mary, wife of A. P. Vasconcellos, and Effie, wife of David Estaque, this city, and Millicent, wife of F. A. DeFreitas, Springfield.

Mrs. Cherry during all her residence here was a faithful member of Northminster Presbyterian church. She was always greatly interested in charitable work and many in Jacksonville can testify to her generosity. During later years of her life she regretted the fact that she was unable to get about and distribute her charity as she had done so many years. Mrs. Cherry was quiet and unassuming and was devoted to her home. After the death of her husband she continued to reside at the old home place and she had every care and attention from her daughters. Mrs. Vasconcellos and Mrs. Estaque.

Funeral services will be held from the residence at 10 o'clock this morning in charge of Dr. A. B. Morey. Interment will be in Diamond Grove cemetery.

Goveia. John D. F. Goveia died at his home south of Lynnville Sunday morning at 9 o'clock. Death was caused by cancer of the stomach. He has been in poor health for several years but his illness has not been considered serious only the last few months.

John D. F. Goveia was the oldest son of Emanuel and Anna Goveia and was born in this city January 4, 1850. He was united in marriage March 4, 1873 to Miss Josephine Smith of this city. To this union twelve children were born, two of whom, Mrs. J. Earl Vasconcellos and Edward, preceded him in death. Those surviving are Mrs. William Damon, Washington, Kansas; Mrs. Charles Painter, Chicago; Mrs. Alfred Souza, Jr., Mrs. E. H. Ranson, Mrs. M. E. Perry of Jacksonville; Charles Goveia, Beardstown and Ervin, Paul, Theodore and Beagle L. Goveia at home.

There also survive the following brothers and sisters: Samuel Goveia, Chicago; Joseph De Goveia, Jacksonville; George Goveia, Arcadia; Frank Goveia, Jacksonville; Mrs. Sophia Oliver, Aurora, Mrs. Ellen Smith, Virginia; Mrs. Lizzie Ring, Jacksonville; Mrs. Carrie Estaque, Springfield; Mrs. Annie Baptist, Jacksonville. One sister, Mrs. Mollie DeFrates, preceded him in death.

Mr. Goveia had resided all his life in Morgan county and has followed the occupation of farming. When young he united with the Methodist church and had always been a faithful member of that body. He also was a member of Camp 132 M. W. A. of this city. Mr. Goveia had always lived an upright life and commanded the respect of the community in which he lived.

The remains were brought to this city and taken to the residence of William Sperry, 859 Doolin avenue. Funeral services will be held from Northminster church this afternoon at 2:30 o'clock. Interment will be in Jacksonville cemetery.

Lindsay. Wickliff Lindsay, aged 64 years, died at his home three miles east of Litterberry Sunday at 8 o'clock. He had been ill for three weeks and death was caused by an abscess. While Mr. Lindsay was a great sufferer he bore it all with Christian fortitude and was ever thoughtful of those who cared for him.

Deceased was the son of Nathaniel and Elizabeth Phelps Lindsay and was born near the place where he died August 29, 1851. He was united in marriage in May, 1883 to Nannie Elizabeth Stockton. There survive him his wife and the following children: Mrs. Verne Johnson, Jacksonville; Mrs. Earl Petefish, Virginia and Oliver at home.

There also survive the following brothers, E. M. and R. M. Lindsay, of Litterberry, Winfield and Landis Lindsay of Los Angeles, Calif. He is also survived by one step-son, A. A. Acre of Ashland.

Mr. Lindsay was a member of the Christian church, having united with that denomination many years ago. He was a man who commanded the respect of all who knew him. The funeral will be held from the residence Wednesday morning at 10 o'clock in charge of the Rev. Mr. Cantrall. Interment will be in Yatesville cemetery.

Vieira. John Vieira aged 45 years, died Monday evening at 7:25 o'clock. Mr. Vieira was operated on for appendicitis about seven weeks ago. From the first his condition was regarded as serious but recently he had shown some improvement and his friends hoped that he might ultimately recover.

John Vieira was born in Springfield January 3, 1870 and lived there until sixteen years ago. Mr. Vieira became associated with the Reich Brewing company in Springfield and came here as the company's general representative. The company has

large property interests here and he has looked after them in a most capable manner. He was held in high esteem by his employers and in addition to representing their interests here made trips to other cities in their behalf.

July 2, 1902 he was united in marriage to Miss Nellie Martin of Springfield. His widow and three children survive they are, Norman, Jeanette and John aged eleven, eight and six years respectively. There also survives an aunt, Mrs. Mary Vieira of Springfield. His parents preceded him in death several years ago.

John Vieira was a man strong in his friendships. If he was a man's friend he would do anything in his power for him. In his home he was devoted to his family and his one thought was for their happiness and comfort. In his death his wife and children have lost a loving husband and father.

The remains were taken to Reynolds undertaking parlors and prepared for burial. The time of the funeral has not been set.

Jones. Mrs. Harriet Tingle Jones died at the county farm Sunday afternoon. Death was due to paralysis and rheumatism. She was the daughter of Ebenezer and Elizabeth Tingle and practically all her life was spent in Jacksonville. She was an employee at the Capps mills for over forty years. She is survived by one niece, Mrs. William Beal, of Litterberry.

The remains were removed to the undertaking parlors of J. G. Reynolds and prepared for burial. Services will be held at the parlors this morning at 10 o'clock and will be in charge of the Rev. G. W. Flagg. Burial will be in Diamond Grove cemetery.

Brown. John Brown of Carlville who has been a patient at Maplewood, died at 9:30 o'clock Monday evening. The remains were taken to Gillham's undertaking parlors and prepared for shipment to Carlville where the funeral will be held.

Nash. Mrs. C. W. Nash died Monday morning at 4 o'clock, at the family residence in Chapin. She suffered a fall about four weeks ago, as the result of taking a cramp in one of her legs on getting up in the morning. She has gradually declined in health since that time.

Her maiden name was Amanda Orr and she was born in Versailles, Brown county, May 26, 1847. She married C. W. Nash, of Versailles, Oct., 1874. Besides her husband she leaves the following children: Mrs. C. E. Stringham, Beardstown; Mrs. L. P. Perry, Versailles; Mrs. Z. E. Stanley, Chapin; Mrs. J. W. Robinson, Mason, Ga., and Mrs. E. C. Norton, Beardstown. She also leaves the following brothers and sisters—James Orr, Versailles; John, of California; George, of Virginia; Frank, of Baylis; Mrs. C. A. Hinman, Monmouth; Mrs. Ann Gibson, St. Joe, Mo., and Mrs. Charles Lodgston, Rushville. There are also eight grand children surviving.

Mrs. Nash had been a life long member of the Methodist Episcopal church. She was an affectionate wife, a loving mother and a true friend and neighbor.

The funeral will be held this morning at 10 o'clock, from the M. P. church in Chapin. Burial will be made in the Concord cemetery.

MEDICAL SOCIETY WITNESSES INDIRECT BLOOD TRANSFUSION

Improved Technique as Demonstrated by Prof. J. Howard Brown Seen by Local Physicians at Passavant Hospital.

Indirect transfusion of blood was the subject of a demonstration by Prof. J. Howard Brown of Harvard university Monday afternoon before members of the Morgan County Medical society, in special session at Passavant hospital. Transmission of blood from "donor" to recipient by especially constructed glass tubes has been worked out by Prof. Brown in collaboration with Dr. A. R. Kempton, of Harvard University, also. Prof. Brown is connected with the biological department of the university and is known for extensive research work. He has been visiting Jacksonville relatives for the past few weeks.

To the assembled physicians Prof. Brown exhibited this tube used for transfusing blood from one patient to another for curative purposes and made complete demonstration as to method of use. This tube is also used in the actual "scientific bleeding of a patient." Over one thousand of these tubes have been placed in the hands of the medical profession and many successful demonstrations have been reported.

The society and the hospital nursing staff attended the demonstration with interest. Prof. Brown left several tubes and an outline of technique for use of the Passavant hospital staff. At the close of the demonstration, the society extended thanks to Prof. Brown and to the hospital authorities as well for the necessary facilities.

PROPERTY OWNERS WILL MEET

The property owners of East State street have called meeting to be held at Ethnie's wholesale house Wednesday evening, August 18, at 7:30 o'clock. The meeting is called for the purpose of discussing the paving of East State street and it is desired that all property owners attend.

CARD OF THANKS.

We wish to take this method of thanking the many friends and neighbors who assisted us so kindly at the time of the death of father, Charles Henry, also for the many beautiful flowers.

The Family.

Miss Amadad Rawlings of Bartlesville, Oklahoma is a guest at the home of her sister, Mrs. Ernest

THIS is a good time to get the boys' school clothes ready. We are showing a big line of boys' suits, \$4.00 to \$8.00. Sizes 8 years to 17 years.

Boys' stockings, 15c, two pairs for 25c; also the 25c guaranteed kind. Boys' 25c and 50c waists. Boys' school caps, 25c and 50c.

T. M. TOMLINSON

ARREST NEGRO EDITOR.

Springfield, Ill., Aug. 16.—William T. Scott, a negro editor and once a candidate for president of the United States on the Freedman's Aid ticket, was released on bond today after spending the night in the county jail following his arrest for selling liquor without a license.

PITCHERS ARE TRADED.

Peoria, Ill., Aug. 16.—Manager Hoffman, of the Distillers, tonight announced he had traded Pitcher Jensen to Bloomington for Pitcher Needles.

Miss Luella Blackburn, one of the teachers of the second ward school has returned from Urbana where she has been taking an eight week's course at the University of Illinois.

"Gets-It" for Corns, SURE as Sunrise!

Any Corn, With "Gets-It" on It, Is an Absolute "Goner!"

Yes, it's the simplest thing in the world to get rid of a corn—when you use "Gets-It," the world's greatest corn-killer. "Gets-It" is almost a pleasure to have corns just to see them come off with "Gets-It." It just loosens the corn from the true flesh, easily, and then makes it come "clean off." 48 hours ends corns for keeps. It makes the use of tape, corn-squeezing bandages, irritating salves, knives, seissors, and razors really look ridiculous. Get rid of those corns quickly, surely, painlessly—just easily—with "Gets-It." For warts and bunions, too. It's the 30th century way.

"Gets-It" is sold by all druggists, 25c a bottle, or sent direct by E. Lawrence & Co., Chicago.

Sold in Jacksonville and recommended as the world's best corn cure—by Armstrong's Drug Store—J. A. Obermeyer.

Remember

It is wise to get rid quickly of ailments of the organs of digestion of headache, languor, depression of spirits—the troubles for which the best corrective is

CANTON BUSINESS MAN SUFFERED 20 YEARS

M. Gibson Swiftly Restored and Feels Like Young Man Again.

M. Gibson, a business man of Canton, Ill., for 20 years was a sufferer from stomach disorders. He took many treatments and spent large sums seeking relief.

One day he tried a dose of Mayr's Wonderful Remedy. The results he sought came at once. He found quick relief. Telling of his experience, he wrote:

"Your medicine is the best on earth. I have spent hundreds of dollars on medicine, doctor bills and hospital expenses. I have been sick for 20 years. Since I took your medicine I feel like a young man again."

Mayr's Wonderful Remedy gives permanent results for stomach, liver and intestinal ailments. Eat as much and whatever you like. No more distress after eating, pressure of gas in the stomach and around the heart. Get one bottle of your druggist now and try it on an absolute guarantee—if not satisfactory money will be returned.

1915 JACKSONVILLE CHAUTAUQUA WEEK

BRYAN TO OPEN BIG TEN DAY PROGRAM FRIDAY.

Tents Will Go Up Today—Remember Positively Only Four Thousand Season Tickets Will be Sold at One Dollar—Get One While You Can.

Remember this is the week for the opening of the 1915 Jacksonville Chautauqua, bigger and better than ever.

Remember positively only four thousand season tickets are to be sold at one dollar.

Remember to sign your season ticket. They are not transferable. Season tickets presented by anyone but the person whose name is signed to same will be taken up at the gate.

Remember there are but three more days when you can buy a season ticket for one dollar. Beginning with Friday morning August 20th season tickets will be two dollars.

Remember that the 1915 program of talent has never been equaled in Jacksonville or Illinois. Concerts twice daily, entertainments twice daily for ten days. The price of season tickets is ridiculously low. Buy one while you can at one dollar. Remember that Bryan day will see one of the biggest crowds ever in Nichols park.

Remember the chautauqua camp this year will be larger than ever before. Remember campers can get library books at the woman's auxiliary tent.

Remember the splendid farm program. A special tent for farm purposes has been provided.

Remember the exhibits in the woman's tent. They will be interesting and instructive.

Remember the big auto parade and the special prizes. No one will want to miss the big display of cars in Nichols park on Good Roads Day.

Remember G. A. R. day veterans of the civil and Spanish American war will be out in force.

Remember the Old Settlers' Day with its attractive program.

Remember to register the babies.

Friday August 20th of this week will mark the opening of the Jacksonville 1915 chautauqua. The chautauqua this year is going to be the biggest and grandest community enterprise that Jacksonville has witnessed in a generation.

The crowd at Nichols park will be tremendous. Enough season tickets have been sold to make them so. Attractive features every day and a well balanced and superbly varied program has made the chautauqua known far and wide.

In the grand automobile parade you will see cars from a dozen surrounding counties. Car owners have seen the big bills which have been broadly distributed and the liberal cash prizes are attractive. A big field will go after the hours in the auto parade.

The tents will go up at the chautauqua grounds today and the White City of 1915 will soon be a reality. Progress is being made in connection with the permanent dining tent and the meals served will be enjoyed under ideal conditions. The sanitary arrangements in connection with the camp ground will be excellent. Especial attention has been paid by the grounds committee to this need.

The oiled roads leading to the park, the oiled parkways leading to the chautauqua grounds, well lighted Jacksonville and South Jacksonville, Nichols park, a beautiful place to go and take the children for an all-day or an all-week outing, Morgan lake, play grounds, deer park and zoo for diversion, musical and entertainment of infinite variety, are attractive features, that will make Nichols park a veritable magnet during the last ten days of August.

Big bills have told the story of the chautauqua in feature style, a neat program folder has revealed the program in detail, everyone has the price of a ticket and can afford to go. Make your plans to visit the chautauqua daily. Season tickets can be bought for one dollar now. Remember positively only four thousand season tickets will be sold at that price. Remember the price of a season ticket after Thursday, Aug. 19 will be two dollars.

Those who already have season tickets remember to countersign them. They are not transferable. Tickets presented at the gate by others than the owners will be taken up.

ENTERTAINED GUESTS

Rev. and Mrs. H. F. Cusic of East College avenue, had for their guests Sunday the following relatives of Mrs. Cusic: Mrs. Ella Ewald of Springfield, Mrs. John Richardson and daughter Mrs. Gertrude McCullough, Mr. and Mrs. Thomas Richardson of Livingston, Mrs. James Richardson of Rochester, Mr. and Mrs. George Webber and daughter Helen and Mrs. Charles Rodehaver of St. Louis. The party has been visiting in Springfield and motored to the city Sunday to spend the day.

E. E. Newman, of Springfield, was a city visitor yesterday.

AUTOMOBILE NOTES.

Mr. and Mrs. Gus Sneeringer, of Alton, arrived in the city yesterday in an Oldsmobile car on their way to Quincy.

Henry Knoepfel, of Bluffs, rode up to the city yesterday in his Ford car.

Robert Etter, of Waverly, journeyed to the city Sunday in his new Hudson car.

Mr. and Mrs. Lincoln Baylis and Mr. and Mrs. J. D. Cooper arrived in the city yesterday in an automobile from Springfield and departed for their home in Concord.

W. F. Gordon, of the east part of Scott county came to the city yesterday on business in his Mitchell car.

Frank Flynn, of Clemens Station, made a business trip to the city yesterday in his Mitchell car.

Messrs. Harold Duncan and Emil Meyer, Misses Gladys Parks and Marie Twombly, all of Mt. Sterling, motored to Havana Sunday morning and then to this city remaining Sunday night and returning yesterday morning in a Studebaker car.

Earl Fountain and family came up to the city yesterday from Carlin in their Ford car.

Fletcher Martin and family made a trip from Winchester to the city yesterday in their Ford car.

Arthur Acom and family, of Joy Prairie, were arrival in the city yesterday coming in their Ford car.

Charles Jefferson and family, residents of Winchester, reached the city yesterday coming in their Ford car.

A party of tourists came into the city yesterday from South Bend, Ind., and left for Kansas City.

Dr. Thurman and wife, residing in Carrollton, were city arrivals yesterday coming in their Ford car.

James Ward, of Sinclair, made a business trip to the city coming in his Ford car.

SPECIAL TAX NOTICE.

Notice is hereby given, to all persons interested, that the City Council of the City of Jacksonville, Illinois, having ordered that the roadway of South Main Street in said City, from the center line of Morton avenue where the same intersects said South Main street, thence south to the center line of Michigan avenue in said City be paved with crushed stone and a coal tar compound binder, the same width as the present pavement, except the right of way of the Jacksonville Railway Co., which shall be paved with brick upon a crushed stone and concrete foundation; the ordinance for the same being on file in the office of the City Clerk of said City, and said City having applied to the County Court of Morgan County, Illinois, for the confirmation of the assessment of the cost of said improvement according to the benefits, and an assessment therefor having been made and returned to said Court; the final hearing thereon will be had on the 25th day of August, A. D. 1915, at 10 o'clock a.m., or as soon thereafter as the business of the Court will permit.

All persons desiring may file objections in said Court before said date and may appear on the hearing and make their defense.

It is further provided by the Ordinance that said assessment shall be collected in ten (10) annual installments, with interest at the rate of five per cent. per annum, as provided by law.

Dated at Jacksonville, Illinois, this 10th day of August, A. D. 1915.

WALTER B. ROGERS, Commissioner appointed to make Assessments.

40,000 TEACHERS AT NATIONAL CONVENTION.

Oakland, Calif., Aug. 16.—Fully forty thousand school teachers from all parts of the United States have gathered here for the convention of the National Education Association, which opens this afternoon in the new municipal auditorium. Dr. David Starr Jordan, president of the big association, will be the leading speaker at the opening session today. This big conference on education is the 53rd annual meeting of the leaders in all kinds of education throughout the country. Colleges, universities, trade schools and private schools are represented, as well as the great American system of public schools.

The conference will be unusually lengthy this year, extending until the 28th. Sessions will be held daily in the big auditorium here, and many sectional meetings will be held. Among other topics to be considered at the mass-meetings will be the teachers are war and peace, especially in their relation to education. Rural education, the education of the negro, the teaching of mothercraft and the vocational aspect of home economics. Next Saturday the teachers will formally transfer their activities to the Panama-Pacific exposition in San Francisco.

The program of speakers is representative of each phase of education, and some of the ablest leaders will be heard during the next two weeks.

NORTHWEST MERCHANTS IN BIG CONVENTION.

Seattle, Wash., Aug. 16.—That business is on the jump in the Northwest, and a great boom for this section of the country is already begun, was the report brought by the delegates to the third annual convention of the Northwest Merchants, who met here today. The busy industrial leaders have spared this week for a get-together convention in Seattle, and have brought exhibits to the industrial fair showing the development of their industries. Nearly every city in the Pacific Northwest is represented, and the feeling of optimism is general. Governor Lister will address the convention on Wednesday, and many other able speakers will discuss the trade questions of the present day.

REV. F. J. BAYLIS PREACHED FAREWELL SERMON SUNDAY

Gave Up Pastorate of M. P. Church at Chapin After Six Years Labor There—Will Devote Time to Evangelistic and Chautauqua Work.

Rev. Frederic Baylis for the past six years pastor of the Methodist Protestant church in Chapin, delivered his farewell sermon to the congregation on Sunday night and the auditorium was filled to overflowing by the regular attendants of the church and his many friends of the pastor and his wife from other denominations.

Rev. Mr. Baylis took his departure Monday for Jonesboro, Ind., where he is to deliver a series of lectures, fifteen in number before the Methodist conference during their ten days meeting. At the close of the conference he expects to go to Georgetown, Del. where he will join his wife and children who are there for a visit with her parents, Mr. and Mrs. W. H. Short. Rev. Mr. Baylis will for the present and for some months to come devote his time to evangelistic work, and will on June 15, 1916 begin his circuit of chautauqua encampments in various states where he has contracts to deliver 84 lectures.

The text of his farewell sermon was Acts xx:26-27: "I take you to record this day, that I am pure from the blood of all men, for I have not shunned to declare unto you all the counsel of God."

Rev. Mr. Baylis said in part: "Nothing can be more touching than farewells. We leave them at the depots, steamship wharfs, and beside the open grave. Paul had spent three years at Ephesus, and had with the church suffered much. He was naturally attached to the people. On leaving them he wished to instill into their minds the thought that he had been true to his calling, and was pure from the blood of the people having declared unto them all the counsel of God."

"In 1909 I came among you and declared unto you since my stay I have not shunned to preach Christ and Him crucified."

Seeks Larger Field.

"I feel my work is finished, and while my wife and myself leave behind a host of loving kind friends among the best people of the country, yet we feel that where one soul could be saved here through our ministrations one hundred can be brought to Christ in a new territory and new surroundings."

People Are Loyal.

"You folks are not like some who go wild over a new preacher, and as long as the honeymoon lasts they cannot speak too well of him, but when that wears off they want a change, but you have by your loyalty stood by us through thick and thin and we will ever cherish in our hearts the kindest memories."

I must add a word of commendation for my faithful wife, who has stood by me here and has helped so nobly in the Sunday school, endeavoring herself into the hearts of both young and old.

Word for New Pastor.

"I bespeak a word for the new pastor. Many queries and doubts, worry and distress us sometimes as we enter a new field of labor. Every man naturally has a feeling of fear or timidity in taking up a new work. You have the power to remove it as the morning fog is dissipated by the rising sun. Give him your sympathy and appreciation. If you are pleased with his work and profited by his preaching, tell him so. An occasional word of kindly and intelligent commendation is an inspiration to any honest, hard-working man. The church that can love one man can love another, and I pray that the new man whom conference sends here may find a true, loving, sympathetic people as we have, in Chapin."

Words of Parting.

"This is very likely the last time we shall look into your faces from this sacred desk. I have labored among you, married your loved ones, buried your honored dead, and should I never see you again I will, with God's help, meet you around

His throne, where there will be no more partings, and death will be swallowed up in victory.

"I am satisfied that in my preaching I have not tickled your ears with rhetorical strains and philosophical niceties, but take you to record this day that I am pure from the blood of all men, for I have not shunned to declare unto you all the counsel of God."

"SERVICE OF Y. M. C. A." THEME AT MEETING.

How the Young Men's Christian Association may be of service to the boys and men of Jacksonville was the chief idea advanced Sunday evening at the special Y. M. C. A. booster service at Grace Methodist church.

Opportunities for usefulness on the part of an association are many and varied and no half-hearted or professional man is beset with more pressing duties than is the secretary of an up-to-date association. Alva L. Snyder spoke to the audience of the advantages of membership and outlined plans for an extended campaign for increased enrollment. Christian associations the state over are planning membership campaigns in the near future and the Jacksonville Y. M. C. A. purposes to make a good record said Secretary Snyder.

Mayor H. J. Rodgers presided at the meeting and William McCullough gave the opening prayer. H. A. Brewer discussed work in the gymnasium. Schedules will soon be announced and no boy nor man of any age need go without fitting athletic instruction, Mr. Brewer emphasized.

CLOSE CALL FOR WORKMEN

J. M. DeFreitas and Walter Fernandes, who are employed in doing some repair work on the Lafayette school building, had a narrow escape Monday afternoon, when a bolt of lightning struck the roof. The men had sought shelter from the storm in one of the small alcoves of the structure. Even at that the bolt dazed them for a few minutes. The bolt struck the building in the center at the top of the roof. Several of the squares of slate were knocked out and scattered in small fragments over the grounds. The bolt went through the sheathing and there must have come in contact with the electric wire for all the fuses in the basement were burned out.

RETURN FROM LAKE MATANZAS

Dr. and Mrs. R. C. Henley and son, Claude, who have been spending the past week at Oak Lodge, Lake Matanzas, have returned home. They had as their guests at Oak Lodge, Mrs. L. B. Turner and daughter, Helen, of this city, M. C. Wilson and Russell Hunter, of Litchberry, and Mrs. L. J. Lippert and daughter, Mildred, of Chicago. Mrs. Lippert and daughter came to Jacksonville for a visit at the home of Dr. and Mrs. Henley on Jordan street.

BURLINGTON MEN HERE.

E. S. Horton, chief dispatcher, and M. B. Smith, trainmaster of the Burlington Route, with headquarters in Beardstown, were in the city Monday forenoon in Motor Car No. 1. They were making a trip over the line to examine the operators in the different offices as to fitness and ability to understand and interpret the rules prescribed for use in their offices. The gentlemen went south from Jacksonville.

HAVE RETURNED FROM CAMPING TRIP.

Earl Henderson and family and R. E. Crabtree and family and Miss Lucy Pyatt have returned from a camping trip to Lake Matanzas. They report an enjoyable outing.

HOME FROM CAMPING.

Mrs. Olson and daughter and Misses Ethel and Helen Harney, Ethel Sackman, Lillian Carter, Mabel Peters and Virginia and Martha Katosky of St. Louis have returned from an outing at Quiver Beach. Miss Gladys Baumgardner of Havana was also with the party.

A great many of our farmers here fear that the corn crop will be cut short unless we get a good rain soon as the corn is firing badly.

HEARING FOR

BRITISH RECRUITERS

San Francisco, Aug. 16.—Lieut. Kenneth Croft of the British Army, indicted in connection with the alleged hiring of British recruits in this city, will appear in court with others today on the charge of violating the neutrality of the United States. The British government will be represented by counsel at the hearing in the federal court.

The British officer is charged with assisting British citizens to return to Europe for military service. He is alleged to have had charge of a big party of recruits. One of the recruits rounded up is William Stables who deserted from the United States army recently.

That \$200,000 has been expended by mysterious agents in this city in securing recruits to the British

and that at least one of the recruits is an American citizen, is the statement of a high government official who has seen some of the evidence and sending them to Europe.

THE JOHNSTON AGENCY

George Fitch.

stand on his head and goes through life nervously guarding the contents of a dozen pockets.

Man carried his watch in a pocket for centuries. A watch in a pocket is a bigger care than an Indian baby. Any one of forty things can happen to it. After a man has left a watch in a hotel and has thrown it onto a hard knobby chair with his vest and has jolted it out while running for a train and has had it disappear with his clothes from his bedroom and has leaned against a bar rail with it and has left it in his other clothes 456 times, he becomes a pessimist regarding watches and sighs for a land where yesterday is just as good as tomorrow.

Nevertheless, when the wrist watch was invented these men who had found the pocket as big a nuisance as a gopher hole sneered at the new idea and compared the man who wore his watch in his wrist with the man who wore his watch in his cuffs. They seemed to think that the only manly place for the watch was in the pit of the stomach or nestled against the vermiform appendix. Doubtless a good many men who have never done anything more thrilling than to raise a camel's hair moustache have worn wrist watches, but so have plenty of explorers, aviators, soldiers and automobile drivers, none of whom are distinguished for Flossism. If there is anything manly in attaching a watch to a fathom of chain and lowering it into a vest pocket from which it will presently disappear, it has not been recorded.

A great many women also wear wrist watches, but nothing which any woman does with a watch is worth recording in plain dispassionate language.

The wrist watch sticketh closer than a brother and does not fall overboard in case of trouble. If it is ever improved so that it will keep time, it will be a boon to humanity and will enable the recording angel in the hydrological profanity department to take Saturday afternoons off.

By Vest Pocket Essays GEORGE FITCH

Author of "At Good Old Siwash."

WRIST WATCHES

Wrist watches were invented in an attempt to issue a declaration of independence against the pocket. Pockets have long been among the greatest tyrants of man. As soon as a boy becomes old enough to have anything valuable is his pockets he becomes a slave. He ceases to stand on his head and goes through life nervously guarding the contents of a dozen pockets.

Man carried his watch in a pocket for centuries. A watch in a pocket is a bigger care than an Indian baby. Any one of forty things can happen to it. After a man has left a watch in a hotel and has thrown it onto a hard knobby chair with his vest and has jolted it out while running for a train and has had it disappear with his clothes from his bedroom and has leaned against a bar rail with it and has left it in his other clothes 456 times, he becomes a pessimist regarding watches and sighs for a land where yesterday is just as good as tomorrow.

Nevertheless, when the wrist watch was invented these men who had found the pocket as big a nuisance as a gopher hole sneered at the new idea and compared the man who wore his watch in his wrist with the man who wore his watch in his cuffs. They seemed to think that the only manly place for the watch was in the pit of the stomach or nestled against the vermiform appendix. Doubtless a good many men who have never done anything more thrilling than to raise a camel's hair moustache have worn wrist watches, but so have plenty of explorers, aviators, soldiers and automobile drivers, none of whom are distinguished for Flossism. If there is anything manly in attaching a watch to a fathom of chain and lowering it into a vest pocket from which it will presently disappear, it has not been recorded.

A great many women also wear wrist watches, but nothing which any woman does with a watch is worth recording in plain dispassionate language.

The wrist watch sticketh closer than a brother and does not fall overboard in case of trouble. If it is ever improved so that it will keep time, it will be a boon to humanity and will enable the recording angel in the hydrological profanity department to take Saturday afternoons off.

CHICAGO TAKES DOUBLE HEADER FROM ST. LOUIS

SCOTT PROVES EFFECTIVE IN PINCHES IN FIRST.

Browns Get Twice as Many Hits as Sox But Chicago Twirler's Control With Men on Bases is Excellent.

St. Louis, Aug. 16.—Chicago opened the series with St. Louis today by taking a double header from the locals, scores 8 to 4 and 5 to 1. In the first game St. Louis drew as many hits as their conquerors but Scott's control when men were on bases and excellent support of his teammates kept St. Louis down.

CHICAGO BUNCHES HITS AND DEFEATS BALTIMORE

McConnell is in Good Form Throughout—Errors Help Baltimore to Four Runs in the Ninth.

Baltimore, Md., Aug. 16.—Chicago defeated Baltimore today 6 to 4. McConnell was in good form throughout while Suggs was hit opportunely. Errors helped Baltimore to four runs in the ninth. McConnell and Mann had home runs over the left field fence.

Score:
Chicago . . . 120 000 120—6 9 3
Baltimore . . . 000 000 004—4 7 3

Batteries—McConnell and Fischer; Suggs, Leclair and Owens.
Buffalo, N. Y., Aug. 16.—Miles Mains of Kansas City was given credit for a no hit, no run game over Buffalo today. The only semblance of a hit off Mains was in the third inning when Blair sent a grounder to short. Rawlings knocked it down with his gloved hand but made no effort to throw out Blair at first. The official scorer recorded the play as a hit but after talking to the umpires and players tonight changed his decision giving Rawlings an error on the play.

Score: R. H. E.
Kansas City . . . 300 000 002—5 6 1
Buffalo . . . 000 000 000—0 9 2
Batteries—Mains and Easterly; Ford and Blair.

Brooklyn, 4; Pittsburgh, 1.
Pittsburgh, Aug. 16.—Hearne was easy for the Brooklyn Federals today and they defeated Pittsburgh by a score of 4 to 1. Finneran passed seven men but was unhittable when hits meant runs.

Score: R. H. E.
Brooklyn . . . 012 000 010—4 11 0
Pittsburgh . . . 000 000 010—1 2 2
Batteries—Finneran and Land; Hearne and O'Connor.
pitched a no hit game as Boone scored New York's only hit with a liner to right which Walsh could not hold.

GREAT GAME PLAYED AT PARK SUNDAY

Eagles Won From River-ton By Score of 3 to 2—Game Required Eleven and Half Innings.

That was some ball game at Nichols park Sunday afternoon between the Eagles and River-ton. Both teams put up a great game of ball and if the fielding had been perfect it is probable that the teams would have been compelled to quit on account of darkness with the score nothing to nothing. Not a run was earned by either team and Esper and White had the batters eating out of their hand most of the afternoon. For eleven and one half innings the teams battled without either being able to gain an advantage. In the Eagles half of the twelfth the break came and a run was put over making the score 3 to 2 in our favor.

The game was marked by some new umpiring that might have changed the result in favor of the visitors. The decision was made by their own official who happened at the time to be working back of the pitcher and his ruling cost River-ton a run. This was in the sixth when River-ton tied the score. The bases were loaded at the time and Young struck out. Clark dropped the third strike and then pegged wild to McCollister and two runs counted. Both teams argued with the umpire for several minutes. He then ruled that the first man who scored was out and allowed the score of the man who came home from second base and declared the batter safe at first. Again in the seventh with Esper on first Wiley struck out and Clark dropped the strike and threw to Denny at second and the umpire declared Esper out and Wiley safe.

The game was marked with great fielding by both teams and the spectators were kept on high gear throughout the entire game. For the locals Woodman reached up with one hand and spread a line drive from the bat of Flannigan that headed for the cornfield in right. Happy DeFrates made several phenomenal stops and throws and Mahan made a great catch of a fly in short left field and also a fine stop of Peddie's grounder on which he nailed Wiley at third. For the visitors Jones played a great game at short while in center Scattergoods lived up to his name and scattered himself all over the field grabbing flies. Clark and Wiley were in good form and cut down nearly all the base runners that took liberties on the paths.
Snooky Joe Esper lived up to his

name. He had the smoke and a splitter that was breaking good all afternoon. For nine innings he held the Eagles to two hits and struck out ten men. While allowed River-ton eight singles in the twelve innings and struck out twelve men. White got in bad several times but he tightened and with the aid of his support pulled through safely.

How the Runs Were Made:
The Eagles broke the ice in the second when they gathered two runs. After DeFrates had fouled to Young Mahan was safe on Jones' wild peg. Christopher hit to Jones who pegged wild to second and Mahan went to third and Christopher was safe at first. Christopher immediately stole second. Woodman laid the ball down the third base line and beat the throw to first. Christopher and Mahan both counting. McCollister fled to Jones and Denny was out Peddie to Passent.

River-ton was not able to break through the Eagles' defense until the sixth round. Then Passent first up, singled. Wiley followed with another single, sending Passent to third. He took second on the throw to the far corner. Flannigan was hit by the ball and the bases were crowded. Young struck out and Clark pegged low to McCollister and Passent and Wiley came over. Flannigan was on second and Wiley on first when the excitement was over. Captain Christopher made a strong catch and finally his "umps" decided that Passent was out and that Wiley's run counted. Poddie then hit to DeFrates and Flannigan was forced at third the other runners being safe. Hewitt walked and the bases were again full. Jones delivered a safety and Young counted. Scattergoods ended the inning by fleeing to Cannon.

Both teams then battled until the twelfth. Each had men on bases several times but White and Esper always seemed to be in command of the situation and kept the runs away from the plate. In the twelfth by a strange coincidence Esper threw his game away and White was given the opportunity to win his own game and he was equal to the emergency. Christopher was first up and hit one that bounced off of Esper's glove and went for a safety. Woodman struck out. McCollister walked. Then Esper made a wild peg trying to catch McCollister off of first and Christopher went to third. White then bunted the ball toward first and beat it out and Christopher counted.

WORLD'S MARKET NEWS

HUGE RECEIPTS WEIGH DOWN PRICE OF WHEAT; CLOSE IS STEADY
Estimated Export Sales Give Market Some Strength—Corn Weakens With Wheat.

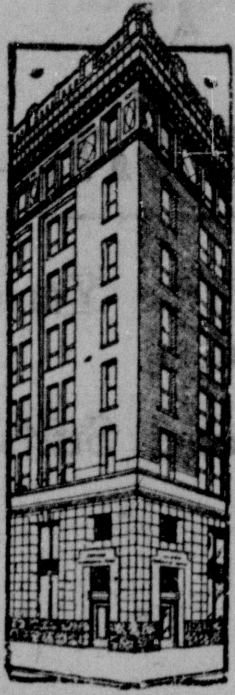

Chicago, Aug. 16.—Huge receipts here today aggregating 1,368 carloads, weighed down the price of wheat. The market, although steady at the close, with September at \$1.04 1/2, was 1 1/2c under Saturday's finish. Other leading staples, too, all showed a net decline—corn 1/4c to 3/8c, oats 1/4c to 1c and provisions 7c to 17 1/2c @ 20c.

About 1,000,000 bushels of wheat were estimated to have been sold in Europe, including business not announced on Saturday. Some additional support for wheat developed in the late transactions owing to fears that a gulf storm reported at Galveston would bring heavy unrelenting rains in the winter crop states southwest. Country offerings in the southwest, though, were larger and notices of consignment there thinned with wheat. Subsequently, however, pessimistic crop advice from Iowa tended to bring about a rally that left the market steady at the close with September 73 1/2c and December 63 1/2 @ 63 3/4c. Oats like wheat felt the pressure of hedging sales owing to heavy arrivals. A continued good movement was expected.

Provisions gave way in sympathy with grain and hogs. Demand was very slow but it was said that some export business was being done in meats.

BOARD OF ADMINISTRATION MEETS IN THIS CITY FOR FIRST TIME

New Kitchen and Amusement Hall Projected at Jacksonville State Hospital—Dr. Stubblefield Will go to Alton.

Plans for building a new kitchen and erecting a larger amusement hall at the Jacksonville State hospital were discussed Monday afternoon at the first meeting of the state board of administration ever convened in this city. Estimates are being prepared in the office of the state architect and the board will soon be ready to make more definite announcement.

At the meeting, held at the state hospital, there were present Fred J. Kern, chairman of the board; Dr. George A. Zellar, state alienist; Col. Frank Whipp and Thomas O'Connell together with Murilla Downer, chief engineer for the board; Mr. Flacks, assistant state architect and Mr. Sutter of the mechanical department. Dr. Zellar remained in Jacksonville until today, the guest of Dr. E. L. Hill at the state hospital. The other members of the board returning to Springfield via the 6:25 Wabash Monday evening. The members paid visits while in the city to the schools for the blind and deaf.

Dr. F. W. Stubblefield, it is announced, will soon leave the local hospital, where he has been for some eight or ten years, and go to Alton to take the position of medical director at the new state hospital there. Dr. Stubblefield is a native of McLean county and lived afterwards in Peoria. The position at Alton is an excellent one, regarded by friends of the doctor as a well earned reward.

The meeting here is in accordance with a new plan, whereby the state board will meet in each city in which state institutions are located. A better understanding of local conditions and more effective co-operation between the board and institution heads, are expected to arise as the practice is continued. Meetings will be held at stated intervals, here and in other institution cities. The first meeting under the new rule was held last week at Dunning.

Will Exceed Two Thousand.
The Jacksonville State hospital will exceed the two thousand mark in point of attendance with the arrival of the overflow patients from Chicago next week, putting the local institution in the class of Peoria, and Elgin. Preparations for the 150 Chicago patients are well night complete and Sept. 1 is set as the probable date of their arrival.

The largest hospital for the insane in Illinois is Kankakee with 3,300 patients. The Chicago Hospital has 3,000 patients, Elgin has 2,000 and at South Bartonville, Peoria, there are 2,200 patients.

Beds for the new patients have been purchased, a portion of the shipment arriving Monday. Beds now fill the old club room and other rooms are being fitted up from day to day.

Plans for Consolidation.
The erection of one large central kitchen is in line with a plan for greater consolidation, which for some time has been in operation at the institution. Economy and better service are the reasons set forth. Hospital facilities are in process of combination and when all improvements are complete, the institution can be conducted at less comparative expense and to the better satisfaction of all concerned.

A central dining hall is already in operation and no attendant is required to eat on the wards. Besides making the lot of the attendant more pleasant, this insures better attention to the wants of the patient.

FORMER RESIDENT VISITS HOME COUNTY
Mr. and Mrs. William Parsons Have Prospered in Dakota.

Mr. and Mrs. William Parsons of Sioux City, Iowa, arrived in the city Saturday night. They were here on account of the illness and death of the late Aaron Swaby who was a brother-in-law and also a cousin of Mr. Parsons, but they received word too late to enable them to attend the funeral.

Twenty-nine years ago Mr. Parsons moved from Joy Prairie to Dakota where he purchased a farm of 240 acres paying \$24.50 an acre for it, now he values his land at \$200 and has standing offers of \$150 for it. He stated that he raises corn of as good quality as that he raised in Illinois and it averaged about 75 bushels to the acre. The average yield of wheat in his part of the state is 15 bushels, some years a little better, and seldom less. This has been an unusually wet season in Dakota, but farming has proven quite satisfactory despite the rains. Mr. and Mrs. Parsons after a visit of a few days with Mrs. Swaby on North Prairie street, expect to return to their home in the north.

WILL HOLD MEETING.
The Woman's Club of the United Commercial Travelers will meet with Mrs. George Haigh, 135 Hardin avenue, Wednesday afternoon at 3 o'clock. A full attendance is desired.

FIRE IN BARN.
The fire department was called to the residence of Amos White, 334 West Court street at 1:40 o'clock Monday afternoon. Fire had in some manner started in the barn. The blaze was extinguished before the arrival of the department. No damage resulted. The property is owned by Dr. Virginia Dinsmore.

TAKES OFFICE POSITION.
Miss Georgie Melton, of North Church street, has a position in the office of Attorney Paul P. Thompson, taking the place of Miss Dan Baird who recently resigned.

SOCIAL EVENTS

Will Entertain Odd Fellows and Rebekahs.
Mrs. Mary Taylor and Allen E. Taylor, of 502 South Prairie street, will entertain the members of Illini lodge, No. 4, I. O. O. F., and Jackson, ville Rebekah lodge, No. 13, at a lawn social at their home Wednesday evening, Aug. 18. An excellent musical program has been arranged. Each member is requested to bring a guest.

Celebrated Fifth Wedding Anniversary.
Mr. and Mrs. Herbert Jackson, three and a half miles southeast of Murrayville, entertained a number of friends Sunday in honor of their 5th wedding anniversary. Among those present were Mr. and Mrs. Charles Jackson, Mr. and Mrs. Will Jackson, Jacksonville, Mr. and Mrs. William Foster, Mr. and Mrs. Frank Foster, and daughter, Alexandra, Mr. and Mrs. Howard Robinson, Prentice, Mr. and Mrs. George Killian, Mrs. William Bocking, Miss Emma Bocking, Orleans, Miss Mabel Foster, Sinclair, Harry Foster, Walter Oddy, Mr. and Mrs. George Clayton and family, Mr. and Mrs. Short and family, Samuel Simmons, of Murrayville. At noon a six course dinner was served, and many useful presents were received. All wished Mr. and Mrs. Jackson many more years of happy life together.

CITY AND COUNTY

Miss Sarah Reese has returned to her home in Woodson after a visit with her friend, Miss Leta Viegand. Frank Eades went to Peoria Sunday in his car to spend a few days with his brothers, Stephen and Joseph.

Fred Buffe is here from Peoria for a brief visit with his parents, Mr. and Mrs. O. F. Buffe.

Clyde Taylor of Chapin was a visitor in the city yesterday.

Mrs. Robert Pickett of Winfield, Kans., is visiting her brother, W. H. Bishop and family of South West street.

Miss Ivy Bishop has resumed her duties at the Woolworth store after Misses Helen Biggs and Priscilla Angelo are visiting Miss Cecil Carter, near Bluffs.

Miss Golda Ausbury, of the public library staff, has returned to Jacksonville after a stay of several weeks at her home in Adair, Ill. She recently recovered from an attack of illness.

Mrs. Eva S. Potter, of South East street, is expected home today from Albia, Ia., where she has been the guest of relatives.

Mrs. Peter Walbaum, of Orleans, is spending a few days with relatives in Springfield.

Wesley Robertson, of Alexander, has gone to Chicago to attend a state tournament of the Illinois Trapshooters' league.

Ernest Strawn, of Alexander, will leave Jacksonville this morning for a business trip to St. Louis.

Mrs. Mary Fernandes returned Monday to her home in Alton after a visit with Mrs. J. A. Scott.

Mr. and Mrs. Grant Dunham and daughter, Mardell, of Griggsville, were among the visitors in Jacksonville Monday.

Mrs. S. L. Biggs has returned from a visit with Mrs. George Gush, in Chicago, and Mrs. John Bell, in St. Charles, Ill.

WITH THE SICK.

A. F. Grassly, traveling salesman 857 Clay avenue is detained from his duties on the road by illness.

Mrs. W. E. Spooner is ill at her home on N. Payette street. Though not in serious condition, she has shown but little improvement during the past week.

William H. Watkinson, of South Diamond street, is improving after an illness of several days' duration. Wilbur Keenan, of Alexander, who a few days since was stricken with appendicitis, is improving and it does not seem likely that an operation will be necessary.

Boys' sport shirts, 50c at Tomlinson's.

BURNED BY QUEER ACCIDENT.
Beardstown, Ill., Aug. 16.—As the result of one of the most unusual tricks of fate 3-year-old Lorine Woods, living on Washington street, this city, while riding in a "coaster" express wagon suddenly became a human torch this morning and will probably die of her burns.

Exactly how the little girl's clothing became ignited is a mystery. The only explanation obtainable is that oil-soaked as the clothing was, a spark from the brake must have set it afire.

WHITE HALL WINS.
Before probably the largest crowd that ever witnessed a ball game in Greene county, White Hall defeated the Roodhouse baseball team at White Hall Sunday afternoon by a score of 8 to 6. The gate receipts at 25c per, totalled \$240, and ladies were admitted free and boys at 15 cents. Score:
Roodhouse 100 000 125—6
White Hall 004 000 40—8

NEW NIGHT CLERK.
E. P. Alexander has taken a position as night clerk at the Pacific hotel. He succeeds William G. Taylor, who resigned.

MOTORED TO SPRINGFIELD.
Mr. and Mrs. Charles Clampt, Mr. and Mrs. Thomas Clampt, and Mr. and Mrs. Charles Ator motored to Springfield Sunday in Charles Clampt's Cadillac auto.

MOTORED TO DECATUR.
Mr. and Mrs. Charles Seymour and Mrs. Myrtle Flynn and daughter motored to Decatur Sunday. They spent the day with Mr. and Mrs. R. C. Sollenberger.

BLOODHOUNDS ON TRAIL OF WHEAT INCENDIARY

Fire Bugs Who Set Fire to Three Stacks of Wheat Near Winchester Are Being Sought—Institute Begins—Funeral of Mrs. Stuart.

With a pack of bloodhounds Sheriff Coultas of Winchester scoured the country Sunday looking for the fire bugs, who it is supposed, set fire to three stacks of wheat belonging to the Cowan brothers residing southwest of the city. It is estimated that there was 600 bushels of wheat consumed. The fire was discovered shortly after midnight Sunday, and before help could be summoned the stacks were burned. The dogs were put on the trail as early as possible but no clue was found, nor arrests made.

Mrs. Stuart's Funeral.
The funeral of Mrs. Ann Stuart was held from the Baptist church in Alsey, Monday afternoon at 2 o'clock in charge of Rev. Mr. Vaughn. Music was furnished by the church choir, assisted by Mrs. George Owen and Miss Grace Thompson, both of Winchester. The flowers were cared for by granddaughters of the deceased and the bearers were grandsons.

Among those who attended the funeral from Winchester were Mr. and Mrs. George Stuart and family; Mr. and Mrs. J. C. Neat, E. Welch, Dr. William O'Reilly and mother, Mr. and Mrs. Robert Mason, Mrs. O'Brien Collins and daughters, Mr. and Mrs. T. J. Priest, Mr. and Mrs. George Hogan, Mrs. Lou Day, Mr. and Mrs. Charles Doyle and William Wells.

Institute Begins.
The Scott County Institute started Monday and will continue till Friday. There are 54 teachers enrolled, and the instructors are Douglas Ridgley, of the Illinois State Normal; Elbert Waller, superintendent of the High school of Grayville, and Robert Moore of Carlisle.

Personal Mention.
Frank L. Vannier of Riggsport was a business caller in Winchester Monday.

Miss Julia Wells has gone to Loveland, Colorado for an extended visit with relatives.

Miss Frances Wallace has returned from a visit with friends in Greenview.

Winchester and vicinity was visited by a heavy rain Monday evening.

SOLD CAR.

Messrs. Priest and Claus yesterday sold an Overland 83 to J. H. Scott of the Asbury neighborhood and delivery will be made at once.

We sell the new kind of loop string waist for the boys 50c at Tomlinson's.

REVISED ESTIMATES FOR STATE STREET PAVING.

Changes Suggested Would Reduce Cost—South Main Street Resolution Adopted.

At a meeting of the board of local improvements held immediately after the council session Monday morning, Engineer Henderson presented two more estimates upon the West State street pavement. The original estimate for the street was \$53,421, and the engineer figured that by omitting some of the paving planned to driveways that this cost could be reduced to \$51,100. He figured further that by using the present curb and gutter, that the figures could be cut still further to \$48,703.66. No action was taken by the board with reference to this matter and the West State street paving matter will be up again for consideration at a meeting to be held Thursday morning at 9 o'clock. A resolution was adopted by the board reaffirming the previous action taken with reference to the South Main street paving, and an order to this effect was signed by all of the members of the board. This action was taken in accordance with the regular legal procedure, and then the matter was in shape for the passage of an ordinance by the council and this action was taken at a second session as already related.

LADIES OF THE MACCABEES.
Special meeting Wednesday afternoon at 2:30 o'clock at the hall, West Morgan street.

AN ALASKAN TRIP.

W. E. Kritch and Dean Cochran have returned to Jacksonville after a delightful summer trip. Accompanied by Mr. Munger who is now visiting his mother in Xenia, Ohio, they started early in June for California and after spending a few days there and in certain Oregon and Washington cities went to Alaska, much of the time there was spent in the vicinity of Skagway. Returning they came by the Great Northern route. The trip was one that the travelers enjoyed from beginning to end.

CIVIC LEAGUE OPPOSED TO CHANGE IN GOVERNMENT

Resolution Was Adopted at Meeting Held Monday Indicating Position of Woman's Organization in Coming Election.

A meeting of the Civic League was held Monday at the Public Library when a resolution was adopted setting forth the position of the league with reference to the coming election on the question of returning the aldermanic form of government. The resolution declares the League unequivocally opposed to any change from the present form. A report was made showing that nearly \$50 was made by the recent benefit given at Scott's theatre and a vote of thanks was tendered Mr. Scott. The league declared in favor of a continuance of the Chautauqua for another year.

The resolution declaring in favor of the commission form of government was in language as follows: "Jacksonville is facing another election, and we greatly deplore it."

"As members of the Civic League of Jacksonville we have always stood for any measure that spoke for the betterment of our common wealth."

"We feel that to return to the Aldermanic form of government for our city would be a long step backward."

"Therefore we wish to declare ourselves as directly opposed to abandoning the Commission form of Government, and further urge each member to go to the polls and vote 'no.'"

Kaffir corn \$1.75 per 100 lbs. at "J. H. Cain & Sons." Phones 240.

ENJOYED FISHING TRIP.

Squire Amos Henderson is again in his office after spending a week at the Idlewild Cottage at Lake Matanzas. Owing to the recent high water which enabled the fish to go out side of the lake for food the fishing was not what was could be desired by such a disciple of Isaac Walton as the Squire is known to be.

Boys' school waists 25c at Tomlinson's.

PROBATE COURT.

Estate of George Wolke deceased. Appraisal bill approved.
Estate of G. W. McGinnis, oral motion for discharge of the administrator-allowed and estate declared closed.
Estate of Edward Marks deceased. Report approved.

W. F. Widmayer returned Monday morning from Chicago where he had been for several days attending to some business matters for the city.

GOLDEN WEDDING ANNIVERSARY TODAY

MR. AND MRS. E. C. JOLLY MARKED FIFTY YEARS.

Well Known Residents of Franklin Will Observe Occasion With a Family Gathering. Have Been No Deaths in Immediately Family.

Mr. and Mrs. E. C. Jolly, Franklin, will celebrate their Golden wedding anniversary today at their home in Franklin. There will be no attempt to observe the occasion in an ostentatious manner, but the members of the family will gather at the old home and enjoy themselves. No doubt many of the neighbors and friends will also call during the day to extend their congratulations and wish them continued good health and happiness. Mr. Jolly is 71 years of age and Mrs. Jolly 67.

Married at the Dunlap.
Mr. and Mrs. Jolly were married at the Dunlap hotel, Aug. 17, 1865, and the ceremony was performed by Rev. Robert Clark, Methodist minister, residing in Waverly. Mr. Jolly is the son of the late Elisha Jolly, who was also a native of Morgan county. Mrs. Jolly's maiden name was Lucinda Hamilton, her father, Franklin Hamilton, of Alexandria, was killed in the Civil war. Mr. Jolly has one brother living, John Jolly, who married a sister of Mrs. Jolly and they resided in Waverly. Mrs. Jolly has two other sisters, Mrs. David Stice, of Oswego, Ia., and Emma, married, and two brothers, Dr. J. W. Hamilton, of Jacksonville, and John, of Edinburg, Ill.

Children of Family.
The following are the children in the family, Mrs. I. H. Hocking, Mrs. E. R. Carlisle, and Otis Jolly, all of Jacksonville; Mrs. James Tranbarger and Mrs. C. J. Wright, Franklin, and Mrs. A. L. Burnett, Chicago. There are 20 grand children and 8 great-grand children. Excepting for three grandchildren, who died in infancy, there have been no deaths in the Jolly family.

All the relatives expect to be present today excepting the Fred Van Winkle family of Montana.

It is planned to have a big dinner at the noon hour and the event is one that has been looked forward to with no little interest by the family.

ANOTHER LOT OF FALL SUITS AND COATS JUST RECEIVED AT HERMAN'S.

TO EXHIBIT HIS PONIES AT FAIRS.

Logan Black expected to ship 8 of his ponies to Cleveland, O., today where they will be shown at the fair. From there they go to Columbus, Syracuse, Indianapolis and thence to the state fair in Springfield. It has been the plan of Mr. Black to send not less than a string of 20 ponies to the fairs, but the bad season, diseases among horses, the world's fair, and so many buyers of automobiles that he did not deem it best to send so many this year. He will not go with the ponies but will send Charles Grange, who has been in his employ for the past three years. The ponies will be loaded in the cars here today.

See those new fall suits at \$5.00 for the boys at Tomlinson's.

MR. TICE WILL TALK ABOUT ROADS.

Hon. Homer J. Tice, state representative and farmer of Menard county, long prominent in state affairs, especially active in road matters and chief architect of the Illinois road law, known as the "Tice law," will discuss "Dirt Roads" Wednesday afternoon, Aug. 25. After the big auto parade on good roads day. The Jacksonville chautauqua. Of course, Mr. Tice will gladly answer questions.

Boys' long pants, \$1.00 to \$2.00 at TOMLINSON'S.

BROTHERHOOD MEETING.

The Brotherhood of the Mt. Emery Baptist church will hold their regular meeting this evening at 8 o'clock and the principal address will be by Rev. H. F. Cusic, of the Methodist Episcopal church. There will also be instrumental selections, solos and readings. The public is invited.

W. C. T. U. MEETING.

The Women's Christian Temperance union will meet in regular session Wednesday afternoon at the home of Miss Mattie Tapp, East State street at 2:30 o'clock. Mrs. Charles Hopper will have charge of the program. Mrs. W. I. Brown, president.

CARS FOR CHAUTAUQUA WEEK.

Two motor cars, and a trailer for use by the electric car line during the chautauqua season arrived Monday from Springfield. Mr. Misor said Monday that a rumor was current that the company would take up its tracks before the chautauqua. He says there is no truth in the report but the company expects to give the public better service than it has ever had before.

Boys' school stockings, 15c; two for 25c at Tomlinson's.

THE RAINFALL.

A rainfall of .23 inch was reported Monday evening by G. H. Hall, of Alexander. The hard rain yesterday afternoon was local in character, though the shower the same evening was very general. In Scott county the evening rain was very heavy.

NEW ARMATURE RECEIVED.

A new armature has been placed in the penthouse on the roof of the Ayers bank building for emergency use. Should the armature now in use give out, the elevator service would thus not be interfered with.
